I know that, sometimes, it seems like a school year lasts forever, and others, it seems like it's going too fast. Well, guess what. You only have seven weeks of school left! AND, the Youth Council has planned great summer activities for you.

I'm very proud of the leadership that this year's Youth Council has provided. They've planned events throughout the school year, and shared devotionals with us at youth group. Please thank Jayce, Mackenzie, Samm, and Ruben for their service. (Kyle and Daniel have also participated in some of the planning.)

Blessings,

*Kim*

## Middle School Moments

March sure flew by fast! Some of you already had Spring Break, and some of you are looking forward to it coming very soon.

I know I'm really looking forward to Easter coming. Easter has always been my favorite holiday. I remember when I was really little, every year, my mom would wake me really early and we would go to the Sunrise Service together. I loved getting dressed up fancy, and going to watch the sun rise with my church family. That hasn't changed. I still have an incredible feeling of peace as the sun comes up while I listen to the amazing youth of St. Mark's lead this amazing worship. I am so excited to see this year's Easter Sunrise Service!
