## MYSTERY GAME

We have a special treat on October 29. Hannah has designed a mystery game for us. Everyone present will be assigned parts, which are designed to help solve the crime.

Bring a friend. This will be a mysteriously good time.

## PUMPKIN SELLERS NEEDED!

The Youth Council will vote to allocate the proceeds from the Pumpkin patch at their meeting on November 12. Only part of the profits go to SSP (usually 50%). The rest goes to the youth activities fund.

In other words, the Pumpkin Patch money benefits youth of all ages. YOU need to step up and sell pumpkins, please!

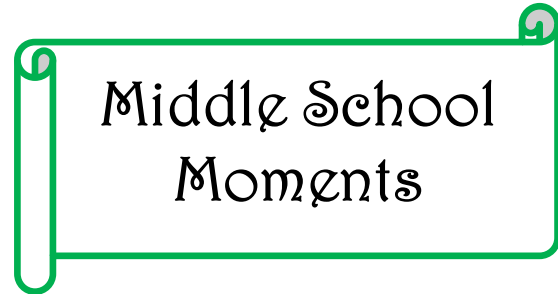

The youth department of St. Mark's is very blessed.

When the truck pulled up, full of pumpkins, many people showed up to unload. Two-thirds of those kind pumpkin passers were adults from our congregation. Some of the same people, as well as other adults, have already signed up to sell pumpkins.

Can you guess what our biggest selling days of the month are? Sundays, of course. Our congregation supports you between worship services, by buying pumpkins.

Without the support of our congregation, we couldn't have a Pumpkin Patch.

Blessings,  
Kim

I'm so confused. I'm sitting outside while I write this. The commercial on the radio is all about fall, I'm looking around the pumpkin patch, and it LOOKS like fall. But it is so hot! It sure doesn't feel like fall to me! But no matter what the temperature is, it really is fall now.

It's time for us to sell those pumpkins! Be sure to sign up (if you sign up with a friend it's even more fun!) and come hang out! It's a lot of fun and helps pay for our programs, and our missions. Plus, you might get to hang out with me!

See you at the Pumpkin Patch!
