SUMMER ACTIVITIES

We're all very excited to spend the summer doing things we don't usually do during the school year. Occasionally, the times will be different to adjust for drive time.

Sometimes, there will be a small fee to offset expenses. NEVER MISS AN EVENT, BECAUSE OF THE FEE. We have scholarship money. It's there for the Sundays that a fee doesn't fit into the family budget.

All you have to do is contact Kim or Rachel.

a note from the

YOUTH DIRECTOR

Some of the people in our congregation have just returned from our Annual Conference in Phoenix. I was privileged to shepherd the youth delegates and observers, from the four districts, who attended Annual Conference.

Among the attendees, were Adrianna and Ruben Morales. As always, the youth of St. Mark's have represented us well. Adrianna and Ruben participated in the business of the connectional system, and in times of amazing worship. Adrianna was also invited to sing in two of the worship services.

I look forward to our next great adventure— SSP!

Blessings,
Kim

Middle School Moments

The rain last weekend felt amazing, didn't it? I know a ton of people in Tucson were so happy to have that cleansing rain and cooler temperatures. Scrolling through Facebook, that's all I saw! Everyone was digging the rain. I loved it, too. There is something so refreshing about cool rain in the middle of a hot summer. Water is so wonderful.

That's how coming to church feels to me. Refreshing and cleansing. It's so nice to be with people who "get" me; who I know I can talk to and ask questions (we all have questions!). We are lucky to have so many opportunities to come to church and be refreshed!

See you Sunday!
