Hello Preteen's,

I hope you're enjoying your Spring Break!

It can be difficult to concentrate in school this time of year as we move closer to summer vacation.

During these next few weeks we will be concentrating on Jesus and his journey to the cross. I encourage you to talk with your families about "Lent" and what Jesus' sacrifice means for us today.

Blessings,
Julie

a note from the

YOUTH DIRECTOR

A friend of mine sent out this quote last week: "We are told to let our light shine, and if it does, we won't need to tell anybody it does. Lighthouses don't fire cannons to call attention to their shining - they just shine." ~Dwight L. Moody

Mr. Moody was referencing the scripture in Matthew, where Jesus calls us the light of the world.

I think our St. Mark's youth are very good at letting your lights shine. Every time you say a kind word, participate in a service project, or even step aside, so that someone else can go by, you are the light of Jesus.

Blessings,
Kim

Middle School Moments

I can't believe how fast this school year is flying by. It will be summer before you know it! In March, your Youth Council planned some awesome stuff for summer! I can't wait.

I am also busy planning. I'm working with other Youth leaders around the South District to plan one of my favorite summer events— Middle School Mission! This year is turning out super fun. If you are currently in grades 6-8 you are really going to want to check this out. It's right after school gets out and is a **BLAST**.

Keep watching the Wass Up for more info, or you can always ask Kim and me. Now we just have to get through this last quarter of school.

See you Sunday!
Rachel
