# YOUTH DIRECTOR

SSP (Sierra Service Project) was amazing! We went to San Diego a couple of days early to have some bonding time at Sea World and other local attractions. The first Sunday we were there, we worshipped at Hope UMC.

One of my favorite things about youth trips, especially mission trips, is that we get to share worship with new friends. Worship is what feeds us, as Christians. It gives us the fuel to go out and serve.

And, serve, we did. Our teams dug holes, poured concrete, set fence posts, constructed fences, & painted.

We were also served. The staff at the SSP site made sure that we had everything we needed, and the Imperial Beach community welcomed us, as if we were professionals. We were also blessed to have Seamus Flannery join us to serve as our 3rd chaperone.

Hopefully, that spirit of service is contagious. Pass it on.

Blessings,  
*Kim*

## Middle School Moments

Some of your high school friends, along with Kim, myself, and Seamus, all just got back from SSP. It was a fun week of sleeping on the floor, meeting new friends, and working hard to help people. By the time this letter is mailed out, another group of us will be on our way to the Youth 2019 Conference.

These trips, just like Middle School Mission, make us SO excited about our faith. They get us pumped up about our relationship with God, and everything we can do to spread His Word.

Once we get back from this last trip, and finish up our fun field trips for the summer, it's time to get back into the swing of things. You will get your school schedules, you will sign up for after school sports, and of course, everyone's favorite...homework!

We all need to work together to keep up that momentum we got over the summer; to keep being excited about our relationship with God. Bring friends with you to Youth Group, and even Sunday School! Let's stay excited!

See you Sunday!
