a note from the
YOUTH DIRECTOR

Whew! I'm still thinking about Youth 2019 in Kansas City. It was a great conference, but what made it AMAZING was the people we took to Youth 2019. You guys were the perfect group. Our stellar volunteer chaperone, **Hayden Mosher** was pretty darn awesome, too!

We've been home for a couple of weeks, and school on the horizon. Plans are under way for the upcoming school year.

Rachel and I have lots of cool things planned for fall. We can't wait to share them with you!

Blessings, *Kim*

Last Sunday, in Sunday School, the theme was "Compassion". Rachel had cards with images of people showing compassion, and asked everyone to tell a story about the picture. We thought you would enjoy Ashley's story:

Every day, a girl walked to school in her plaid skirt. She was a focused and determined student and always got good grades. Everyday, another girl played in her yard, picking flowers and singing. The girl in the plaid laughed and said, "Where will she go in life?" One day, the girl in plaid was especially stressed over a math test, when the girl in the garden noticed. She asked the girl in the plaid skirt to play. "No", said the girl, thinking the other was crazy. The next day, as the girl walked, she began to cry— she had not done well on the test. When the other girl noticed, she ran over,

and asked, "Why are you sad?" The girl in the plaid skirt said, "Why do you want to help me?" The other girl said, "Because I have never seen you laugh or smile."

Middle School Moments

What a fun summer we have had! Our youth group has been super busy going on field trips, mission trips, and conferences. The summer just flew by, and was so fun. Thank you to everyone who participated in our fun events.

Don't forget, we're here all year, too! We will usually meet on Sundays from 4-6 with really fun stuff planned each week.

On Rally Day (Aug. 11), we will welcome kids starting 6th grade this year with an AMAZING scavenger hunt. It's going to be so much fun, just like always. I hope you all have a super start to a new school year, and hope to see you at Sunday School and Youth Group all year!

See you Sunday,
Rachel
